

23. INTERNATIONAL MODEL BALLOON MEETING BRIGACHTAL 2. TO 5. OF OCTOBER 2008

Brigachtal, August 2008

Dear Model Balloon Friends,

once again it's time for a great Model Balloon Meet. Today we are delighted to invite you to the:

23. International Model Balloon Meet in Brigachtal

After the success of the past years we hope for a bustling, international activity. So register quickly. The registration form and the program are enclosed as an appendix.

Because of the national holiday „Reunification Day“ on 3. October the meet will start with a Fiesta program with new attractions on 2. October. Those of you who are unable to attend can look out for a great normal meet procedure starting from Friday 3. Oktober in the evening.

The meeting will be held in the festival hall in Brigachtal-Überauchen. Rooms will be organised in the hotels in Brigachtal or if wanted in the youth hostel.

We are looking forward to seeing you in Brigachtal, the Eldorado of model ballooning.

Best regards and happy landing
to you and your families.
